Professor Matthew Meselson,
The Biological Laboratories,
16 Divinity Avenue,
Cambridge 38,
Massachusetts, 02138.

Dear Professor Meselson:

Thank you for your letter of 27 July and the papers which were enclosed: I have not had time to read them yet, having just returned from a visit to Europe. However, I shall read them soon and, if it seems likely to be useful, will draw them to the attention of Dr. Head and anyone else concerned with the subject.

All my best wishes for continued success in your fight against CBW.

Yours sincerely,

E.L.M. Burns
