Dear W. H. Rind

I enclose a copy of the article about your visit to Vietnam. Could you please let me know of any inaccuracies as soon as possible - midday on Tuesday (Oct 6) is about the last chance of getting anything altered since the article will probably appear in our issue of October 10.

Many thanks for your help with the piece, which I hope will arrive at Harvard in time for any comments you may have.

*Your sincerely
Nicholas Wade*
