

25 September 1970

Mr. J. H. Davidson
Agricultural Department
The Dow Chemical Company
P. O. Box 1706
Midland, Michigan 48640

Dear Mr. Davidson:

I am writing to thank you for your letter of 11 September and for the samples of Agent Orange which you had sent to us and which we received day before yesterday.

We very much appreciate your providing us with the samples which you had available.

Sincerely yours,

(Miss) Eleanor Mathews
Assistant Director
