DATE: June 9, 1987

TO: Dr. Peter Nicolaevitch Burgasov
Editor: Molecular Genetics, Epidemiology and Microbiology
Ministry of Health
Rachmanovsky, Per 3
Moscow
USSR
Telex number: 871-411407

FROM: Prof. Matthew Meselson
HARVARD UNIVERSITY
921496 (HARVCAM)

We invite you and Professor Nikiforov to visit Harvard University for approximately one week to edit manuscript and for consultations on problems of infectious disease. We would cover all expenses, including travel. Please telex your reply and indicate dates convenient for you. If you prefer consultations in Moscow instead of Harvard I could reschedule trip proposed in my letter of April 21. My telex adress is

Harvard University
Department of Biochemistry and Molecular Biology
7 Divinity Avenue
Cambridge, Massachusetts 02138
USA
Telex number: 92-1496
