Dear Matt,

I have the maps you requested for pickup at your convenience
-- or would you rather I mailed them?

Enclosed is some information on the Hre I found; it may be of
use to you.

Please send me a copy of your memo to ~~AK~~ Ambassador Bunker
as soon as possible. It seems like a very opportune time
to try to stimulate some action here, before the Secretary
goes up to the hill.

Best wishes,

Dave Brown
