EMBASSY OF JAPAN

2520 MASSACHUSETTS AVENUE, N. W.
WASHINGTON, D. C. 20008

ADams 4-2266

October 28, 1970

Dear Dr. Meselson:

In accordance with my letter to you dated October 7, I wish to inform you that I have received a copy of the record of discussions on ratification of the 1925 Geneva Protocol.

As you were previously advised, there is no copy available written in English. I hope you will be able to contact a qualified translator, since we are unable to translate it due to a shortage of personnel in our Embassy.

Enclosed in the envelope, which I am sending to you separately, are three sets of discussions in the Japanese Diet. I have indicated on the first page of two of these sets the page numbers which are pertinent to your request. The third set consists entirely of discussions on the 1925 Geneva Protocol.

With best wishes for a stimulating and successful study, I am,

Sincerely yours,

Shinichiro Asao
First Secretary
