Dear Mr. Meselson:

Enclosed herewith please find an edited copy of your manuscript, "The Military Value and Political Implications of the Use of Riot Control Agents in Warfare." We are also attaching a list of questions that, from the editorial viewpoint, need to be answered for the sake of clarity and to avoid confusion.

Most of the changes suggested are minor and we hope you will have no problem in going along with them.

As the scheduled publication date of the CBW book is mid-December, we would appreciate it very much if you send us your comments as early as possible, by mid-November at the latest.

Thank you very much.

Yours sincerely,

Nandinder Aggarwala

P.S. Please excuse the poor quality of the photocopy; I hope the corrections are readable. We did not want to delay your receipt of the manuscript by having it retyped.
