Dear Theodor:

I'd hoped that by waiting till now to find a way to come to the general inspection meeting in Stockholm. However, it appears just impossible for me to meet in January. The situation is even worse to come to Paris and I have told John Humphrey that I cannot make it. Preparing our report on the use of herbicides in Vietnam is taking far more time than I had anticipated.

With warm regards to you and your family.

As ever,

MATTHEW MESELSON
