

16 February 1971

Colonel Lauri Koho  
Military Liaison Officer  
United Nations  
New York, New York

Dear Colonel Koho:

I am most obliged to you for your kindness in digging out the information about the one use of tear gas by United Nations Forces. I will share this information with Professor Meselson of the Biology Department here.

With kind regards and my cordial thanks,

Yours sincerely,

R. R. Baxter
