Dear Matt:

The following is the correct spelling of Sheffer's name, and his address. You may remember that the people at Queen's University changed the spelling of each of the participants' names in each circular that they sent out. This is why I have been so nervous about writing down Sheffer's name.

Dr. H. Sheffer
Vice-Chairman
Defence Research Board
A-Building
125 Elgin Street
Ottawa K1A-023, Ontario

Yours,

A handwritten signature in cursive script, appearing to read "J.C. Polanyi".
