April 13, 1971

Dear Prof. Meselson,

I thank you very sincerely for sending me copies of the statements by Mr. McGeorge Bundy and yourself before the Senate Foreign Relations Committee and other press clippings relating to the Geneva Protocol of 1925, all of which I have read with the greatest interest and attention.

With kind regards,

Yours sincerely,

  
(N. KRISHNAN)

Prof. Matthew Meselson,  
Professor of Biology,  
Harvard University,  
HARVARD, USA.
