Professor Matthew Meselson
Department of Biology
Harvard University
Cambridge, Mass.
U.S.A.

Dear Professor Meselson:

Thank you very much for sending me the papers relating to the hearings of the Senate about the ratification of the Geneva Protocol.

Once again I congratulate you on the work that you have done and are doing to take these particular arms of "mass destruction" out of the national arsenals.

With kind regards,

Yours sincerely,

A handwritten signature in cursive script that reads "E. L. M. Burns".
