Professor Matthew Meselson
Biological Labs. A-411

Dear Matt:

This is just to confirm the arrangements for the meeting of my Law of War seminar on 4th May, at which you so kindly undertook to speak. We will meet at my house, 25 Brewster Street, (behind the Armenian Church at the intersection of Brattle and Sparks Streets) at 6:30 for drinks and dinner. The serious part of the proceedings will last from 8-10.

I am asking the students to read what you suggest and am distributing a copy of your Senate Foreign Relations Committee statement to each of them.

With kind regards,

Yours sincerely,

Dick
