Mrs. Margaret Curwen  
The Organiser: CONFERENCE  
12 Woodland Grove  
Weybridge, Surrey  
England

Dear Mrs. Curwen:

Thank you for your notification of the forthcoming conference on "Nuclear Weapons--Political and Military Dangers of the Arms Race." Unfortunately I cannot arrange to be in England in November.

I note from the minutes of the International Continuing Committee for May 6 that you have received letters from many of the U. N. delegates who abstained on resolution 2603A (XXIV). I wonder if you could let me have a photocopy of Mr. Noel Baker's letter of inquiry and of each of the responses? I realize this could be a formidable undertaking and can only say that I would put the material to good use. Of course, I would defray any costs involved. Not knowing whether the material is with you or with Mr. Noel-Baker, I am sending a similar request directly to him.

With warm regards.

Sincerely yours,

Matthew Meselson
