Dear Matt:

Today I returned to New York from Aspen and was pleased to find waiting for me the reprint of your article, "Turning Off the Gas," from The Christian Science Monitor of May 15, 1971. You were thoughtful to send this along to me -- many thanks.

Hope all is going well for you. I expect to be here for about a week, and will then return to Aspen for the summer. Any chance of your coming to Aspen this summer? We would love to see you there.

Best regards,

Cordially,
