

19 July 1971

Mr. Michael A. Guhin
National Security Council Staff
Executive Offices of the President
Washington, D.C. 20506

Michael,

This is because you recently asked to see everything on CBW that comes my way. This is nearly everything: An article in the East Berlin Neues Deutschland around the middle of June alleges that Bulgarian fishermen in the South Atlantic became ill after hauling up gas bombs of supposedly South African manufacture. Looks like the CBW scene may be slowly shifting to Africa. Guess they haven't heard that CS won't work over there.
