London S.W.1

From The Parliamentary Under-Secretary of State

26 July, 1971.

Dear Professor Meselson

Thank you so much for your letter of 15 July, and for the papers which you enclosed on the scope of the 1925 Geneva Protocol as regards the use in war of CS and chemical herbicides. Solly Zuckerman mentioned to me that you were sending these papers and I shall read them with great interest.

Yours sincerely
Lothian
