Mr. Marshall Lee Miller
Office of the Administrator
Environmental Protection Agency
Washington, D. C. 20460

Dear Marshall,

Thank you for your note regarding Unless Peace Comes. I have asked for a copy which I shall read when I get back from my vacation in October."

For your possible interest I enclose an article I wrote for the Christian Science Monitor.

It was a pleasure talking with you in Washington last week. I hope its not too long before we meet again.

Sincerely yours,

Matthew Meselson
Professor of Biology
