Dear Bob,

I don't remember if I ever sent you a copy of the Sierra Club Bulletin containing a non-technical article on herbicides in Vietnam. Here, too, is a different letter I sent to a different Times.

Thanks for putting me in touch with Thayer. I liked him very much and will probably go down to give a somewhat organized briefing sometime in the fall.

We are off for six weeks in France but will be in Washington near the end of October. I hope there will be a chance to see you.

With best regards.

Sincerely yours,

Matthew Meselson
