

THE WHITE HOUSE
WASHINGTON

NOV 22 1971

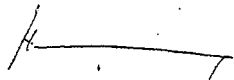

November 18, 1971

Dear Matt:

Thank you for having a copy sent to me of the recent telegram from the Council for a Livable World, congratulating the President on his far-sighted initiatives in the area of biological and chemical warfare.

Your attached note was also received in the good spirit in which it was sent.

Warm regards,

Henry A. Kissinger
