

24 November 1971

Mr. Lars H. Hyde
Vietnam Working Group
Department of State
21st and C Streets
Washington, D. C.

Dear Mr. Hyde,

It is not clear from my office records whether or not I ever sent you the memo I spoke to you about. Here is a copy just in case.

If the 1968 Mission Review is now declassified, I would greatly appreciate having a copy or knowing where I could write to obtain one.

With best wishes.

Sincerely yours,

Matthew Meselson
