Dear Dr. Stone:

Professor Meselson has asked me to send you the enclosed article from the University of Chicago Magazine as well as one of his c.v.'s. The biographical note preceding the article has many inaccuracies and should be totally disregarded. Dr. Meselson thinks that you might have another, more accurate one yourself. In any case, he has another biographical sketch at his home and will send it to you either over the week-end or on Monday.

Sincerely yours,

Michael A. McGrath  
Secretary to M.S. Meselson
