REF. NO. G/08.5/10

Dear Professor Meselson,

I have just returned to Geneva after two months' absence to find the copy of the recently published U.S. Senate hearings on the Geneva Protocol of 1925 which you have been kind enough to send me. I feel sure it will prove most useful as background material for the work of the Committee on Disarmament. I would like, therefore, to express my appreciation for your gesture.

Yours sincerely,

Mikael Imru
