Dear Matt:

You will recall that we talked for some time in my office in the Pentagon a couple of years ago, and I think I saw myself as an unnamed "source" in your paper for the Foreign Relations Committee. Later, I believe, we met at the National Strategy Seminar at Carlisle Barracks. This note is to tell you that the book which I worked on during the War College year will be published around the first of August.

I enclose a copy of the front matter. I hope you will find it -- and, hopefully, the book -- of interest.

Sincerely,

WILLIAM L. HAUSER
