

UNITED STATES ARMS CONTROL AND DISARMAMENT AGENCY

WASHINGTON

JAN 6 1975

OFFICE OF
THE DIRECTOR

December 24, 1974

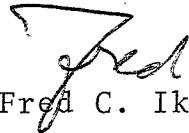

Dear Matt:

Just a note to thank you for your thoughtful mailgram of December 16 regarding the Geneva Protocol and the Biological Weapons Convention.

I valued your frank and constructive comments during our discussion, and I particularly appreciated your message regarding the outcome in the Senate.

Let's keep in touch. I would like to continue to avail myself of your expertise.

Sincerely,

Fred C. Ikle
