

*Clu. Boster*

LAW SCHOOL  
MEMORANDUM

To Dr. M. Meselson 30 Aug. 1975

FROM R.R.B.

---

---

Matt,

News from Australia, received today.

*Disc*

On the question of the reservations to the Geneva Protocol of 1925, I have already set in motion the machinery for giving further consideration to our position. Your point is a very strong one. I have yet to learn from the relevant Divisions what, if any, problem they will have in accepting it.
