MARIAN A. CZARNECKI
CHIEF OF STAFF

Dear Math,

Relative to our phone conversation yesterday, the following might be worthy participants in the meeting you are considering:

Brig. Gen. S. H. Bass, Jr. (Army)
Project Manager, Demilitarization of
Lethal Chemicals and Environmental Restoration
Army Materiel Command
Pentagon

articulate and highly regarded.

Col. Bill Sweet
Army Office of Congressional Liaison
Pentagon

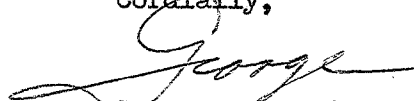

Knowledgable generally on CW programs; studied CW training and tactics at Army War College.

Mr. Ed Miller
Office of Senator Gary Hart
Rm. 6327 Senate Office Bldg.
Wash., D.C.

Former Army officer; knowledgable on CW both from military and political perspective having dealt w/ the question while working for Aspin and now Sen. Hart.

With the exception of Miller, one should of course assume that Bass and Sweet would be pro chemical -- but would be intelligent and articulate. They are recommended on the assumption that you want some "pro" types there.

Cordially,

George R. Berdes

P.S. F.Y.I ACS letter which just arrived in today's mail.
