Dear Matt,

Here are maps, reply forms, stationery, etc., as we discussed. You might want to indicate in your invitation letter that the conference will be held at the Academy (rather than just "in Boston"). We are reserving the dates.

Is there an official title for the conference? The one we have been using is the one on the Steering Committee list.

To confirm the supporting organizations -- they are the Academy, the Carnegie Endowment, the Ford Foundation, and Harvard's PSIA.

I talked with Tom Halsted this morning; he will probably call you to discuss plans but in any case would appreciate your sending him and Pete Scoville the letter of invitation and list of invitees.

Let us know if you need anything else from here.

Best regards,

Patricia Flaherty
