UNITED STATES ARMS CONTROL AND DISARMAMENT AGENCY
WASHINGTON

OFFICE OF
THE DIRECTOR

September 21, 1976

Dear Matt:

Enclosed is the Arms Control Report which presents a detailed account of this Agency's activities. It also offers the Administration's first comprehensive statement of US arms control policy and objectives since the President's Foreign Policy Report last appeared in 1973.

I hope you will find it both interesting and informative.

Sincerely,

Fred C. Ikle
