Dear Dick,

I am pleased to learn that you plan to participate in the Conference on Policies for Chemical Weapons and Chemical Arms Control to be held at the American Academy of Arts and Sciences in Boston on January 21-22, 1977.

For your interest I enclose a list of those who also intend to participate in the Conference. Maj. Gen. E. C. Meyer of the Department of the Army, Robert Mikulak of the U.S. Arms Control and Disarmament Agency, and Julian Perry Robinson of the University of Sussex, England have agreed to contribute background papers. It is our intention to have these in your hands early in January.

I look forward to seeing you at the Conference.

Sincerely yours,

Matthew Meselson
