Dear Matt:

Thank you for your invitation dated 29 October to participate in a Conference on Policies for Chemical Weapons and Chemical Arms Control. I will be very pleased to do so. I was a little startled though to find my name on the list of those whose acceptances have been received by October 28. I do my best to react shortly, but rarely succeed in achieving kind reversal.

Sincerely yours,

A handwritten signature in dark ink, appearing to read 'Don'. The signature is fluid and cursive, with a large initial 'D' and a trailing flourish.
