Dear General Lennon:

I am delighted to learn from General Meyer that you will be participating in the Conference on Policies for Chemical Weapons and Chemical Arms Control to be held at the American Academy on January 21-22. Although you may have received some of the background material from General Meyer, I am enclosing the list of participants and the agenda for your information. Also enclosed is information on travel and accommodations, including a map which shows the location both of the Academy and the Chestnut Hill Hotel where we have reserved overnight accommodations for you for the evenings of January 20 and 21. We shall be sending you copies of the three papers prepared for the Conference within the week.

We look forward to seeing you on January 21st at the Academy. Do not hesitate to call if we can be of further assistance to you.

Sincerely,

Matthew Meselson
