Dear General Meyer:

We regret very much that you will not have the opportunity to join us personally at the Conference on Policies for Chemical Weapons and Chemical Arms Control, but we understand the situation which requires that you remain in Washington. I am very grateful to you for your assistance with the development of this meeting. We hope that the discussion will make a useful contribution to the analysis of the policy options in this area, and we shall keep you informed and send you any materials which result from the Conference

With best wishes,

Sincerely,
