Dear Dr. Finan:

This letter will confirm our invitation to participate in the Conference on Policies for Chemical Weapons and Chemical Arms Control to be held at the American Academy on January 21-22. We are most pleased that you will be joining us at that time.

I am enclosing a note describing the objectives of the Conference, a list of the members of the organizing committee, the provisional agenda, and the list of participants. Also enclosed is information on travel and accommodations, including a map which shows the location both of the Academy and of the Chestnut Hill Hotel where we have reserved overnight accommodations for you for the evenings of January 20 and 21. Under separate cover we are sending copies of two of the three papers prepared for the Conference; we are awaiting receipt of the third paper which has been slightly delayed.

Please let us know if we can be of assistance during your visit to Boston. We look forward to seeing you on January 21st at the Academy at 9:00 a.m.

Sincerely,

Matthew Meselson
