Dear Matt,

This is to let you know that I have arranged for WHO to cover my transatlantic fare for another meeting in New York, which will enable me to attend your CW meeting on 21 and 22 January. I shall stay at the Chestnut Hill Hotel along with the other participants. My plane arrives from London on 20 January in mid-afternoon, and I am arranging to see Bernie Feld later that day to discuss various Pugwash matters.

I plan to go on to New York and Philadelphia Saturday evening the 21st. I may pass through Cambridge again en route back to London on 12 and 13 February, and perhaps I shall be able to see your family at that time.

Cordial regards.

Yours sincerely,

M. M. Kapan
