Dear Doug:

I am very sorry to learn that you will not be able to come to Boston on January 21-22. Quite aside from the Conference, I had looked forward to seeing you again simply on a personal basis. I hope that it will not be too long before you and Wade find yourselves in the Boston area with time for a visit. Needless to say, I will send you the materials generated by the Conference when they become available.

With best personal wishes,

Sincerely,

Matthew Meselson
