Dear Ms Bendahmane,

This acknowledges with many thanks the five copies of the booklet "Chemical Weapons and Chemical Arms Control". Professor Meselson suggested that I write you concerning individuals to whom the booklet should be sent.

...

I am enclosing the list of participants, and their addresses, of the group who attended the 6th Pugwash Workshop on CW. If not already done, I would recommend your sending copies to them. In addition it would be useful to have some 10 complimentary copies sent by sea post to the London and Geneva offices of Pugwash (addresses on letterhead) which we would distribute to appropriate people at our meetings, especially those from eastern European countries. I presume you have circulated copies to delegations at the CCD.

Thank you for your cooperation.

Yours sincerely,

M. M. Kaplan
