Dr. Robert Mikulak
804 State Annex 6
U.S. Arms Control &
Disarmament Agency
Rosslyn, Virginia 20451

Dear Dr. Mikulak,

Would you be so kind as to send me a list of the participants in the Conference of the Committee on Disarmament (CCD) and the addresses where they can be reached? Dr. Meselson would like to circulate copies of the recently issued book which he edited, "Chemical Weapons and Chemical Arms Control," among the delegates to that conference.

Thanking you in advance for whatever assistance you can provide.

Sincerely yours,

Steven Merritt
Assf. to Dr. M. Meselson
