CBW

Dear Professor Meselson,

You have been kind enough to send me a copy of the book "Chemical Weapons and Chemical Arms Control" published by the Carnegie Endowment for International Peace.

I wish to thank you very much for this very interesting study, which deserves every consideration.

Sincerely yours,

*very sincerely
yours
Nicolò Di Bernardo*

Nicolò DI BERNARDO
Ambassador

Permanent Representative of Italy

Mr. Matthew MESELSON
Cabot Professor of the Natural Sciences
Harvard University
The Biological Laboratories
16 Divinity Avenue
