PRESIDENT

Dear Matt:

Please excuse the delay in acknowledging receipt of your book on CHEMICAL WEAPONS AND CHEMICAL ARMS CONTROL.

I am pleased that you found General Meyer's contributions useful. As you undoubtedly know, he is the principal Army staff officer concerned with military operations. Also, he is recognized universally within the Army as a strong candidate for the position of Chief of Staff in the future.

You undoubtedly are enjoying your leave of absence at the California Institute of Technology in Pasadena, especially in view of the winter weather here on the East Coast!

Many thanks for sending me the book. I look forward to seeing you again in the near future.

Sincerely,

R. G. GARD, JR.
