Dr. Hilton Weiss
Bard College
Annandale, NY 12504

Dear Dr. Weiss,

I enjoyed talking with you on the telephone yesterday and have given your name to the people at the U.S. Arms Control and Disarmament Agency, as we discussed.

For your interest, I enclose a draft of an article on chemical weapons and chemical arms limitation which is being written for Scientific American.

Sincerely,

Matthew Meselson
Professor of Biochemistry

Encl.
