Dear Mr. Wisnovsky,

Enclosed please find a recent biography of Professor Meselson as well as a copy of his curriculum vitae.

You might want to include the following publications in a brief bibliography to the article:

Stockholm International Peace Research Institute, The Problem of Chemical and Biological Warfare, in six volumes (1971-), Stockholm: Almqvist & Wiskell and New York: Humanities Press.

Meselson, Matthew (1970). Chemical and Biological Warfare. Scientific American 222, 15-25.

Meselson, Matthew, Ed. Chemical Weapons and Chemical Arms Control. Papers and Discussion from a Conference at the American Academy of Arts and Sciences, Boston, Massachusetts, January 21-22, 1977. New York and Washington: Carnegie Endowment for International Peace.

Sincerely yours,

Michael A. McGarrath
Secretary to M.S. Meselson

Encls.

P.S. Sorry that I am not able to provide you with the inclusive dates of the SIPRI study. It is now evening, the volumes are not available to me right now and I am leaving town myself later this evening.
