Mrs. Mary Honditch
2133 Bellemah Drive
Las Cruces, NM 88001

Dear Mrs. Honditch,,

In response to your letter of 18 February, I regret very much that there is nothing I can think of to help but I have sent it on to someone in England and someone in the U.S. for their opinions. However, this is an area in which very little is understood.

Sincerely,

Matthew Meselson
Professor of Biochemistry
