

BULGARIAN DELEGATION  
TO THE COMMITTEE ON DISARMAMENT

Geneva, 6th of May 1980

16. CHEMIN DES CRÊTS-DE-PREGNY  
1218 GRAND-SACONNEX/GENÈVE  
TÉL. 98 03 00

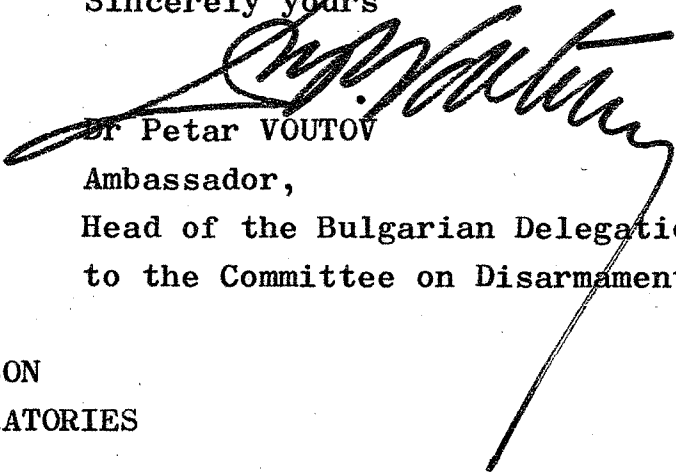

Dear Sir,

I have the pleasure to acknowledge receipt of your article "Chemical Warfare and Chemical Disarmament" published in the April 1980 issue of Scientific American Magazine.

Thanking you and your colleague Mr. Julian Robinson for your contribution to drawing attention to this pressing problem in the field of disarmament,

I remain

Sincerely yours

Dr Petar VOUTOV

Ambassador,  
Head of the Bulgarian Delegation  
to the Committee on Disarmament

PROF. MATTHEW MESELSON  
THE BIOLOGICAL LABORATORIES
