Dear Dr. Meselson,

I want to thank you for your reply to my letter requesting help in identifying the chemical my husband was exposed to at Fort Hood, Texas. We appreciate all that you are doing to try to help us. Since writing to you we have moved, in the possibility the experts you contacted are able to identify the chemical you can now reach us at the following address:

Lawrence Honditch Jr.
212 Flynn Drive
El Paso, Texas 79932

Sincerely,

Mary Honditch
