Prof. Matthew Meselson
The Biological Laboratories
Harvard University
16 Divinity Avenue
Cambridge, Massachusetts 02138

Dear Professor Meselson:

Our interview with you will appear in the current issue of U.S. News & World Report, which will reach our subscribers early next week.

We have mailed ten copies of the magazine to you, and we sincerely appreciate the time you gave Orr Kelly for the interview and your cooperation in clearing the manuscript.

Sincerely,

LT:1

P.S. If you should need additional copies, please call William Deek at (202) 861-2305.

*P.S. I'm glad Howard
Simons was able to bring us
together*
