Dear Matt:

What an elegant presentation of an extremely difficult subject. As you are undoubtedly aware, the audience was completely in agreement with you at every step of the way. What is it that makes the Senate so much less able to comprehend the Pandora's Box which is about to open in its latest horrendous decision.

We are most appreciative for your willingness to come and discuss this difficult subject, and delighted that Deutch came along so that the points could be enumerated and then discussed.

* As soon as the tapes are ready, we shall send them along to you. I hope someone in Washington will listen. Again from all of us at CSIA, many thanks.

Warmest regards,

Dorothy S. Zinberg

* They should have reached you by now.
