Dear Dr. Borisov,

It is kind of you to be willing to help me in obtaining the three references we discussed on the telephone yesterday afternoon. In case you no longer have your copy of the article in which the references are cited, I include one for convenience. The references I wish to obtain are #s 2, 7, and 10, listed on page 113.

I enjoyed talking with you on the telephone and hope that the occasion may present itself so that we can meet sometime.

Sincerely Yours,

Matthew Meselson
