Mr. Egmont R. Koch, Publizist
2800 Bremeht 33
Am Kastanienhof 54
West Germany

Dear Mr Koch,

If you would be interested in talking about chemical weapons matters, I would be glad to see you here on December 11th or 12th, preferably late in the afternoon of the 12th.

I enclose for your possible interest an article from Scientific American and an interview from US News and World Report.

Sincerely Yours,

Matthew Meselson
Professor of Biochemistry
