Business Administration
Soldiers Field Rd.
Boston, MA 02163

Dear Mr. Mitchell,

Thank you for your kind dinner invitation. I would be pleased to come some time after the New Year. I'll be in Cambridge more or less constantly after the 15th of January.

If a topic needs to be set in advance, I would propose ~~chemical~~ ^{chem} ~~weapons~~ ^{space} weapons and chemical arms control, a subject in which I have been interested for some time.

Sincerely Yours,

Matthew Meselson
